

Math Olympiad Contest

2017 - 2018

The Math Olympiad Contest is designed to increase enthusiasm in mathematics, teach major problem solving strategies, and foster creativity and flexibility.

Contest Description

- Five monthly tests, given from November – March
- Each test consists of 5 nonroutine problems with a set time limit (30 min. per test)
- Students score 1 point for each correct answer allowing a score of up to 25 points per year
- Calculators are not permitted
- Definitions are included for advanced concepts

***Students are provided with 1 hour of instructor-guided solutions and problem solving per test!**

Math Olympiad Contest Schedule

- First 30 minutes: Take the test.
- Last Hour: Go over the solutions.

Our Math Olympiad instructor will go over each problem from the test in great detail using the appropriate problem solving strategies. Students are free to ask questions. Our goal is to give students immediate positive feedback to help them improve.

Code	Grades	Day	Dates	Time	Fee	Location
11698	4-6	Saturday	11/18	Contest	\$245	Communication Academy 7337 Bollinger Road, Suite E Cupertino, CA 95014
			12/16	02:35-03:05		
			1/20			
			2/17	Solutions		
			3/10	03:15-04:15		

*** Note: Students do not have to take a Math Olympiad class to sign up for the test. Students must register in advance and fill out paperwork requested by MOEMs in order for scores to be counted officially online. Students interested in taking the test/solutions without official scoring may speak to the office about taking one or more of the tests.**
